

# EcoMod Conference on Regional and Urban Modeling

Brussels, 1-2 June 2006

## Practical Information

### PREPARATION FOR PRESENTATION OF PAPER

Each conference room is equipped with a laptop and a digital projector.

We encourage you to e-mail us your PowerPoint presentation by May 30 so that we can install it in advance on the laptop in your conference room. Please send your presentation to: [Masudi.Opese@ecomod.net](mailto:Masudi.Opese@ecomod.net).

In all the rooms, we also have overhead projectors if you want to use transparencies.

### PAPER PRESENTATION

In the parallel sessions, each paper has 30 minutes: 20 minutes for presentation and 10 minutes for questions and discussion. There are no discussants.

The presenter of the last paper in the session is also the chair. We would like to ask all of you to respect the precise timing of the sessions and the presentations. As you know, this is very important for the smooth running of the conference.

## TRANSPORTATION TO THE CONFERENCE VENUE

Transportation from the Airport:

The university campus is about 20 minutes by car from the airport. Knowing that you can easily exchange foreign currencies at the airport (most taxis accept also credit cards) we suggest two options:

Option 1: You can take a taxi from the airport to the hotel. This will cost about 35 EURO.

Option 2: You can take the train (there is one every 15 minutes from the airport) to the Central Station (about 3 EURO) and then take a taxi to the hotel. The ride from the Central Station to the hotel would cost about 10 EURO.

Transportation from the City Center

The university campus is about 15 minutes by taxi and 30 minutes by bus or tram from the city center.

To go to the ULB campus you can take the bus number 71 or the trams 93, 94.

Be careful!!!

The ULB has several campuses. You need to go to the main campus which is the Solbosch Campus of the Université Libre de Bruxelles which is between Avenue Franklin D. Roosevelt and Avenue Adolphe Buyl.
